

EXPERIENCE GCC LIKE NEVER BEFORE

The city's most exclusive club will soon be relocating to a new address. We are separating the club from the hotel to provide our members with the most exclusive experience they have ever had. The New GCC Club is around 70,000-square-foot facility will be reserved for our most elite members and their guests only.

OUR UPCOMING FACILITIES

YOGA ROOM

The New GCC Club will have a soundproof studio adjoining the Gym. This studio will be used for yoga, dance, and other group activities. The studio is well-equipped and air-conditioned, making it perfect for members who want to get a good workout or relax with a yoga class.

KAIZEN - GYMNASIUM

Our new gym is approximately 8,000 square feet, three times the size of our current gym. It offers endless fitness options for all categories, inspired by the Japanese philosophy of Kaizen, which stands for constant improvement. The gym will include equipment and trainers for strength, cardio, CrossFit, functional, calisthenics, and yoga. Members can grow endlessly in their fitness journeys and recover in our state-of-the-art steam and massage rooms.

STATE OF THE ART SPORTS FACILITIES

Our sports facilities are becoming more grandiose. The new facility will feature three badminton courts, a brand-new table tennis room, a squash court, and a modern pool table.

RESTAURANT AND BAR

Our new 5,000-square-foot resto-bar offers a never-before-seen balance of exceptional taste, luxurious ambiance, and value for money. Enjoy food and drinks at club rates, and let us cater to your every need with our private dining rooms, ideal for business meetings, family gatherings, pitch decks, and parties.

EVENTS SPACES

Our event space will have a ton of areas, including a lawn, members' foyer, and meeting rooms, that can be used for many purposes. GCC events are coming back soon with a new lineup of member-exclusive workshops, boot camps, and get-togethers that aim to connect like-minded members.

SOFT PLAY AREA FOR KIDS

Designed for your kids to go all out and play at this specifically-designed play area with child friendly equipment like ball pits, padded slides, jungle gyms and various ramps, stairs and climbing frames.

ROOFTOP SWIMMING POOLS

The New GCC Club will feature its trademark blue jewel, which will now be forged in front of an open-air terrace pool. This pool will be accompanied by a toddler's pool, seating, and a modern pool deck, creating an unprecedented open-air lounge space that has never been seen before in Mira Bhayander.
